

## WeRateDogs Twitter Analysis – Act Report

WeRateDogs is a Twitter account that rates people's dogs with a humorous comment about the dog. These ratings almost always have a denominator of 10. The numerators, though? Almost always greater than 10. 11/10, 12/10, 13/10, etc (It the uniqueness of weratedog). WeRateDogs has over 4 million followers (as of August 1, 2017) and has received international media coverage.

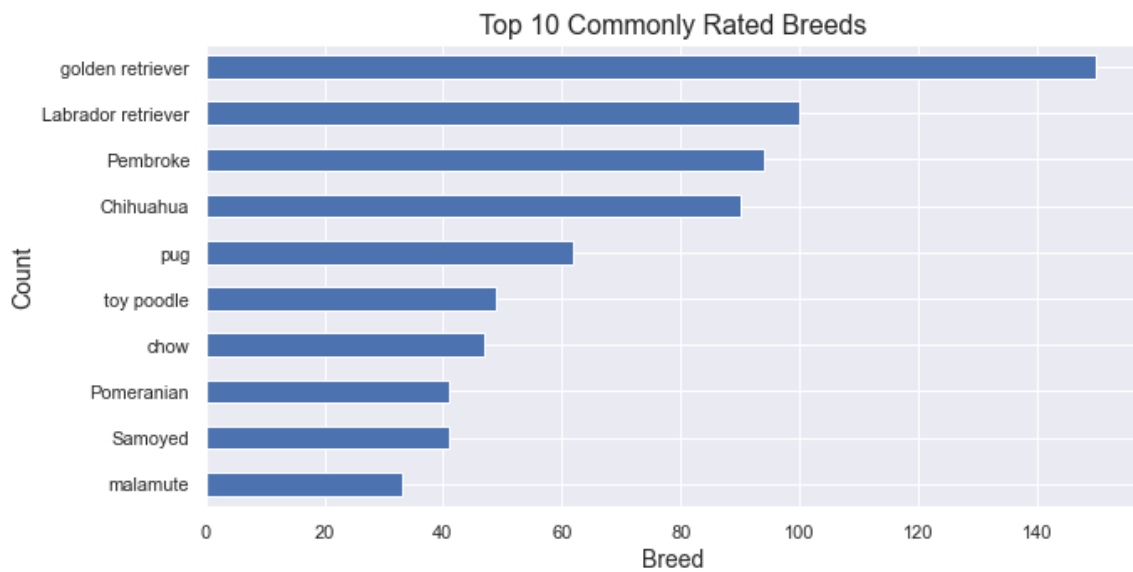

**Goal of analysis:** This Analysis analysed how Weratedogs rate dogs and the most rated dogs while practicing data wrangling skills.

This report summarizes insights gotten from the analysis.

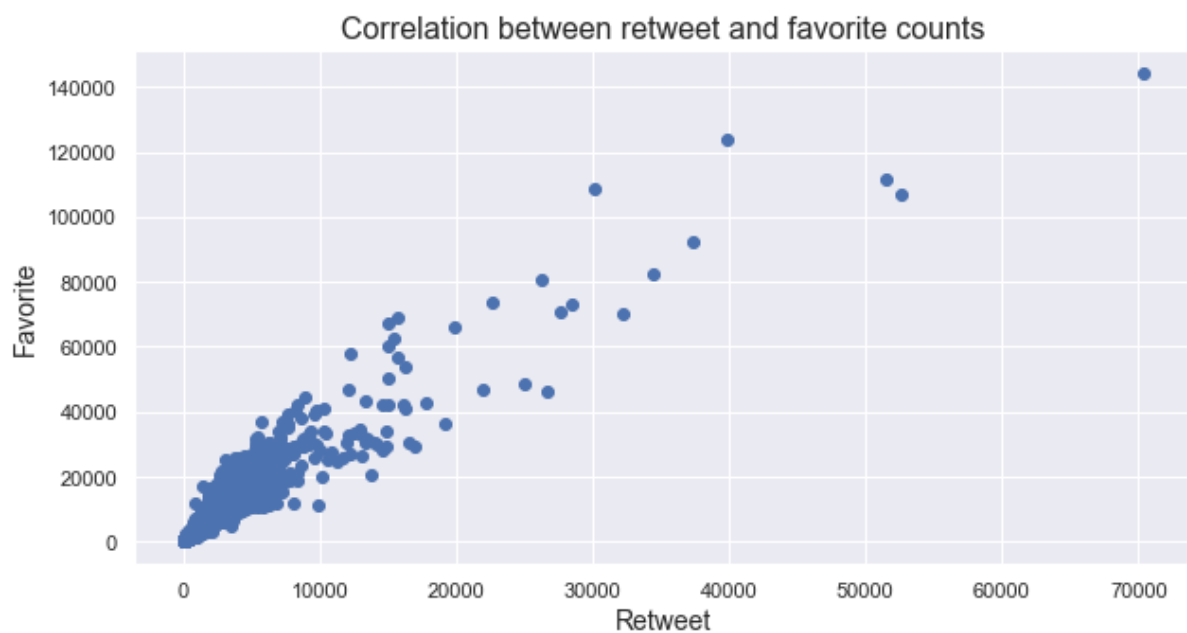

1. High ratings: 75% of ratings are 10 and above and this displays the uniqueness of WerateDog. When asked why that is so, they replied "they are good dogs".

2. Commonly rated dogs include golden retriever, Labrador retriever, Pembroke, chihuahua among others. This shows the variations of dogs people love.

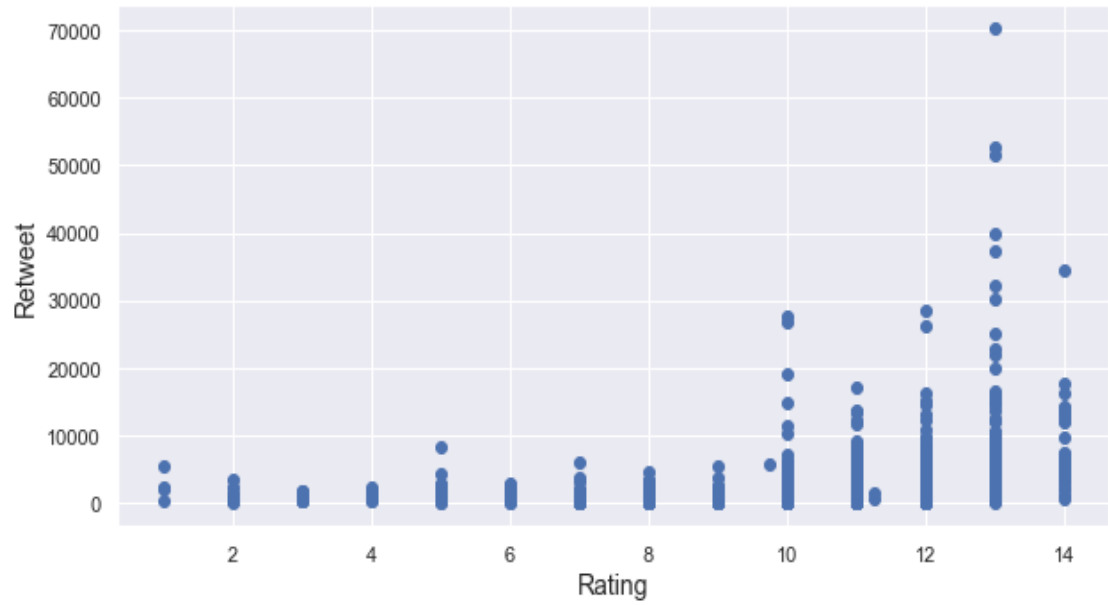

3. High correlation between retweet and favorite count: a high retweeted tweet will also most likely have lot of likes.

4. Most top retweets and liked have a rating of 13.
